HHSC and the CONTRACTOR may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

The Parties agree that the following terms and conditions apply to the services to be provided by CONTRACTOR under this Agreement in consideration of certain payments to be made by HHSC.

Article 2. BACKGROUND, INDUCEMENTS AND OBJECTIVES

Section 2.01 Background.

(a) Federal legislative authorization.

This Agreement is entered into in connection with the Texas Legislature's decision to participate in the federally-authorized State Children's Health Insurance Program ("CHIP"). CHIP is authorized under Title XXI of the federal Social Security Act, 42 U.S.C. §§ 1397aa-1397jj. The CHIP program is an optional joint state-federal program designed to provide affordable insurance to low-income families with uninsured children.

(b) State enabling legislation.

Approximately 1.4 million children in Texas are uninsured. The costs, both economic and social, to the State of Texas are immeasurable. In recognition of this need, the 76th Texas Legislature authorized the state's participation in the CHIP program. The enabling legislation, Senate Bill 445, is codified as Chapter 62, Health & Safety Code. The principal objective of the state legislation is to provide primary and preventative health care to low-income, uninsured children of Texas, including children with special health care needs, who are not served by or eligible for other state-assisted health insurance programs.

(c) State child health plan.

Under chapter 62 of the Health and Safety Code, HHSC is directed to develop and file with the federal government a state-designed health plan program that ensures the state's eligibility for federal funding under

Title XXI of the Social Security Act. The federal government has approved the State's plan. HHSC desires the participation of qualified organizations to assist with the implementation of the plan in Texas.

(d) Participation of the private sector:

As expressed in section 62.055, Health & Safety Code, the Texas Legislature intends that HHSC, in administering the state child health plan, maximize the use of private resources, including nonprofit organizations. In fulfilling this mandate, HHSC has solicited assistance with many aspects of the program, including delivery of health plan coverage to CHIP-eligible children through health maintenance organizations (HMOs).

(e) Procurement of comprehensive health plan coverage through health maintenance organizations (HMOs).

HHSC solicited proposals for services to CHIP through a Request for Proposals ("RFP") dated November 9, 1999. The procurement that is the subject of this Agreement is undertaken as a "best value" procurement under the terms of Chapter 531, Texas Government Code, Chapter 62, Health & Safety Code, and section 2155.144, Government Code. In response to the RFP, CONTRACTOR submitted its Proposal, dated _____, 1999 (the "Proposal"). Following review of proposals, the evaluators appointed by HHSC recommended CONTRACTOR's Proposal as a best value for the state in one or more of the coverage areas in the state. HHSC desires to implement the terms of CONTRACTOR's Proposal, subject to the terms and conditions of this Agreement.

Section 2.02 Inducements.

In making the award of this Agreement, HHSC relies on CONTRACTOR's assurances of the following:

(5) CONTRACTOR also has reviewed and understands the risks associated with the CHIP program as described in the Request for Proposals, including the risk of non-appropriation of funds.

Accordingly, on the basis of the terms and conditions of this Agreement, HHSC desires to engage CONTRACTOR to perform the services described in this Agreement under the terms and conditions set forth in this Agreement.

Section 2.03 Mission Objectives.

CONTRACTOR acknowledges its understanding that HHSC's overall objective in engaging CONTRACTOR pursuant to this Agreement is to arrange for the provision of health care services to the CHIP-eligible population through qualified health care providers. The health care services will be delivered in a highly efficient and effective manner on behalf of HHSC, the state administrative agencies operating portions of the CHIP program in Texas, and the members of the CHIP program. In particular, CONTRACTOR acknowledges its understanding of HHSC's desire to achieve the following primary Mission Objectives:

(b) CONTRACTOR will have a system in effect to protect all records and all other documents deemed confidential by law which are maintained in connection with the activities funded under this Agreement. Any disclosure or transfer of confidential information by CONTRACTOR, including information required by HHSC, will be in accordance with applicable law.

At the end of the Contract term, all client or patient records become the property of HHSC. CONTRACTOR retains the right to access the records or obtain copies for audit, examination, evaluation, inspection, litigation, or other circumstances that may arise.

If at any time during the Contract term the Contract is terminated, HHSC or TDH may require the transfer of client or patient records, upon written notice to CONTRACTOR, to another entity that agrees to continue performance of the Contract.

Article 12. SUBCONTRACTING AND THIRD PARTY RELATIONSHIPS

Section 12.01 General limitations on the employment of subcontractors.

Except as and to the extent HHSC may agree otherwise in writing, CONTRACTOR shall not subcontract its obligations under this Agreement, other than those subcontractors identified in CONTRACTOR's Proposal and approved by HHSC, except as provided in this Article 12.

Section 12.02 Prior notification of intention to subcontract the Services.

Subject to section 12.04 below, prior to entering into a subcontract with a third party and following notice to HHSC of CONTRACTOR's intent to enter into such a subcontract, HHSC may require CONTRACTOR to:

(a) Specify the components of the Services affected, the scope and amount of the proposed subcontract between CONTRACTOR and such third party, and the identity and qualifications of such third party;

(b) Include in the subcontract between CONTRACTOR and such third party such provisions of this Agreement as HHSC reasonably deems necessary and appropriate under the circumstances as flowdown provisions;

(c) Include in the subcontract between CONTRACTOR and such third party the right for CONTRACTOR to terminate such subcontract upon HHSC's request under the following circumstances:

- (1) In the event of materially deficient performance on the part of such third party;
- (2) Where HHSC has good faith doubts concerning such third party's ability to render future performance because of changes in ownership, management, financial condition, or otherwise; or
- (3) Where there have been material misrepresentations by or concerning such third party.

Section 12.03 *Subcontracts for routine, ordinary, and non-material services.*

(a) CONTRACTOR may, in the ordinary course of business, subcontract for third-party services or products that:

- (1) Are not dedicated to HHSC;
- (2) Are not material to a particular function constituting a part of the Services;
- (3) Do not result in a material change in the way CONTRACTOR conducts its business; and
- (4) Do not adversely affect HHSC or the State of Texas, whether in performance of or charges for the Services or otherwise.

(b) If HHSC expresses concerns to CONTRACTOR about such subcontract, CONTRACTOR must discuss such concerns with HHSC and work in good faith to resolve HHSC's concerns on a mutually acceptable basis.

Section 12.04 *Emergencies.*

(a) Where a bona fide emergency that materially affects the Services or when circumstances otherwise warrant immediate action by CONTRACTOR to subcontract with third parties, CONTRACTOR may, after using its best efforts to comply with the notice requirement set forth in section 12.02, enter into subcontracts with such third parties without prior notice to HHSC of CONTRACTOR's intent to enter into such a subcontract.

(b) The scope and duration of subcontract entered into by CONTRACTOR under this section 12.04 must be narrowly tailored to address the emergency or the circumstances warranting such action. CONTRACTOR must otherwise use its best efforts to comply with section 12.01 and section 12.02 and upon request by HHSC, shall provide the information described in section 12.02.

Section 12.05 *Approved subcontractors.*

Subject to the other provisions of this Article 12, HHSC expressly consents to CONTRACTOR's use of the subcontractors designated in its Proposal for the provision of the Services specified in CONTRACTOR's Proposal (the "Approved Subcontractors").

Section 12.06 Responsibility for subcontractors.

(a) CONTRACTOR will remain fully responsible for obligations, services and functions performed by its subcontractors to the same extent as if such obligations, services and functions were performed by CONTRACTOR employees and for purposes of this Agreement such work shall be deemed work performed by CONTRACTOR.

(b) CONTRACTOR shall be HHSC's sole point of contact regarding the Services, including with respect to payment. HHSC may require that a subcontractor and CONTRACTOR execute an agreement that designates CONTRACTOR as the subcontractor's payment agent with respect to HHSC.

(c) CONTRACTOR must not disclose Confidential Information of HHSC or the State of Texas to a subcontractor unless and until such subcontractor has agreed in writing to protect the confidentiality of such Confidential Information in the manner required of CONTRACTOR under this Agreement.

(d) CONTRACTOR must identify any subcontractor that is a newly-formed subsidiary or entity, whether or not an affiliate of CONTRACTOR, substantiate the proposed subcontractor's ability to perform the subcontracted Services, and certify to HHSC that no loss of Service will occur as a result of the performance of such subcontractor.

Section 12.07 Retention of critical third party providers.

Subject to section 12.01 through section 12.06 above, CONTRACTOR must continue to use existing third party providers of services who are believed by HHSC to have knowledge, either technical or business, not easily replaceable and critical to CONTRACTOR in providing the Services to the State. Such third party providers, if any, will be identified by HHSC at least 90 days prior to expiration of the Initial Term of this Agreement. Upon making a determination that continued use of any third party provider is not in the best interests of the State, subject to prior written consent by HHSC, CONTRACTOR may eliminate such provider or diminish such provider's level of effort.

Section 12.08 Replacement of subcontractors.

Upon reasonable notice to CONTRACTOR, HHSC may require CONTRACTOR to replace any subcontractor without penalty to HHSC. The replacement may be directed for subcontractor non-performance or substantial substandard performance. CONTRACTOR will use best efforts to replace the subcontractor with a qualified substitute subcontractor with no or minimal disruption in the performance of the Services.

Section 12.09 Availability of Approved Subcontractors following termination or expiration of Agreement.

Upon expiration or termination of this Agreement for any reason, HHSC and/or the State will have the right to enter into direct agreements with any of the Approved Subcontractors. CONTRACTOR agrees that its arrangements with Approved Subcontractors will not prohibit or restrict such subcontractors from entering into direct agreements with HHSC and/or the State.

Article 13. REMEDIES AND DISPUTES.

[This section will be expanded to include contractual remedies for specific RFP requirements.]

Section 13.01 *Understanding and expectations.*

(a) The CONTRACTOR agrees and understands that HHSC may pursue contractual remedies for both programmatic and financial noncompliance. HHSC, in its discretion, may impose or pursue one or more remedies for each item of noncompliance and will determine sanctions on a case-by-case basis. HHSC's pursuit or non-pursuit of a tailored administrative remedy shall not constitute a waiver of any other remedy that HHSC may have at law or equity.

(b) As described in the Request for Proposals, the CHIP program represents a comprehensive and aggressive effort to provide adequate health care to uninsured children by providing affordable insurance to their families. {Insert} of this Agreement also describes HHSC's objective to establish a flexible and responsive relationship with CONTRACTOR. Accordingly, the remedies described in this Article 13 are directed to CONTRACTOR's timely and responsive performance of the Services and production of Deliverables.

Section 13.02 *Administrative remedies.*

(a) CONTRACTOR responsibility for improvement.

HHSC expects CONTRACTOR's performance to continuously meet or exceed performance criteria over the term of this Agreement. Accordingly, CONTRACTOR will be responsible for ensuring that performance for a particular activity or result described in its Proposal or the RFP that falls below the expectations identified in CONTRACTOR's Proposal, the RFP, or this Agreement must improve within thirty (30) days of written notice from HHSC regarding the deficiency.

(b) Notification and interim response.

(1) HHSC will notify CONTRACTOR in writing of specific areas of CONTRACTOR performance that fail to meet performance expectations, standards, or schedules, but which, in the determination of HHSC, do not result in a material delay in the implementation or operation of the CHIP health plan coverage through HMOs. CONTRACTOR will, within three (3) business days of receipt of written notice of a non-material deficiency, provide the HHSC Project Manager a written response that:

(A) Explains the reasons for the deficiency, CONTRACTOR's plan to address or cure the deficiency, and the date and time by which the deficiency will be cured; or

(B) If CONTRACTOR disagrees with HHSC's findings, its reasons for disagreeing with HHSC's findings.

(2) CONTRACTOR's proposed cure of a non-material deficiency is subject to the approval of HHSC. CONTRACTOR's repeated commission of non-material deficiencies or repeated failure to resolve any such deficiencies may be regarded by HHSC as a material deficiency and entitle HHSC to pursue any other remedy provided in this Agreement or any other appropriate remedy HHSC may have at law or equity.

(c) Corrective Action Plan.

(a) In the event HHSC assesses a liquidated damage as provided in this Article 13, HHSC may require the CONTRACTOR to submit to HHSC a detailed written plan (the "Corrective Action Plan") to correct or resolve the deficiency or event causing the assessment of the liquidated damage. The Corrective Action Plan must provide a detailed explanation of the reasons for the cited deficiency, the CONTRACTOR's assessment or diagnosis of the cause, and a specific proposal to cure or resolve the deficiency. The Corrective Action

Plan must be submitted within ten (10) business days following the request for the plan by HHSC and is subject to approval by HHSC, which approval will not unreasonably be withheld.

(b) Notwithstanding the submission and acceptance of a Corrective Action Plan, CONTRACTOR remains responsible for achieving all oral and written performance criteria. The acceptance of a Corrective Action Plan under this section 14.02 will not excuse prior substandard performance, relieve CONTRACTOR of its duty to comply with performance standards, or prohibit HHSC from assessing additional liquidated damages or pursuing other appropriate remedies for continued substandard performance.

(d) *Additional remedies.*

HHSC at its own discretion may impose one or more the following remedies for each item of noncompliance and will determine the scope and severity of the remedy on a case-by-case basis. Both Parties agree that a state or federal statute, rule, regulation or federal guideline will prevail over the provisions of this section 13.02 unless the statute, rule, regulation, or guidelines can be read together with this section 13.02 to give effect to both.

(1) Assess liquidated damages in accordance with section 13.03 and deduct such damages against payments to CONTRACTOR as set-off in accordance with section 13.04;

(2) Conduct accelerated monitoring of the CONTRACTOR. Accelerated monitoring means more frequent or more extensive monitoring will be performed by HHSC than would routinely be accomplished;

(3) Require additional, more detailed, financial and/or programmatic reports to be submitted by CONTRACTOR in accordance with Article 9 of this Agreement; or

(4) Decline to renew this Agreement.

HHSC will formally notify CONTRACTOR of the imposition of an administrative remedy in writing in accordance with paragraph (b) of this section 13.02, with the exception of accelerated monitoring, which may be unannounced. CONTRACTOR is required to file a written response to in accordance with paragraph (b) of this section 13.02.

(e) *Informal review of administrative remedies.*

CONTRACTOR may request an informal review of the imposition of the foregoing remedies in accordance with section 13.11 of this Article 13 within ten (10) business days of receipt of written notification of the imposition of a remedy by HHSC.

Section 13.03 Liquidated damages.

The liquidated damages prescribed in this section 13.03 are not intended to be in the nature of a penalty, but are intended to be reasonable estimates of HHSC's projected financial loss and damage resulting from the CONTRACTOR's nonperformance, including financial loss as a result of project delays.

Accordingly, in the event CONTRACTOR fails to perform in accordance with this Agreement, HHSC may assess liquidated damages as provided in this section 13.03.

(a) *Failure to provide contracted services or support.*

If CONTRACTOR fails to perform any of the Services described in the RFP, Section V, and in CONTRACTOR's Proposal in accordance with the schedule provided in CONTRACTOR's work plan, HHSC may assess a liquidated damage of \$1,000.00 each business day such Service is not provided.

(1) *Maximum damages.*

Liquidated damages assessed pursuant to this paragraph shall not, in any single month, exceed 25% of the fee due CONTRACTOR for that month. However, if CONTRACTOR fails to perform any Service or combination of Services, and such failure represents a budgeted sum greater than 25% of the fee due CONTRACTOR for that month, HHSC may terminate the Agreement in accordance with this Article 13.

(2) *CONTRACTOR responsibility for associated costs.*

If HHSC terminates this Agreement pursuant to paragraph (a)(i) of this section 13.03, CONTRACTOR will be responsible to HHSC for all costs incurred by HHSC, the State of Texas or any of its administrative agencies to replace the CONTRACTOR. These costs include, but are not limited to, the costs of procuring a substitute vendor following termination of this Agreement and the cost of any claim or litigation that is reasonably attributable to CONTRACTOR's failure to perform any Service in accordance with the RFP, CONTRACTOR's Proposal, and this Agreement.

Section 13.04 *Method of collection.*

HHSC may elect to assess a liquidated damage directly to CONTRACTOR, or it may deduct amounts assessed as liquidated damages as set-off against payments then due to CONTRACTOR for the Services or Deliverables or which become due at any time thereafter.

Section 13.05 *Modification of Agreement in the event of remedies.*

As provided in section 8.01(b) of this Agreement, HHSC may propose a modification of this Agreement in response to the imposition of a remedy under this Article 13. Any modifications under this section 13.05 must be reasonable, limited to the matters causing the exercise of a remedy, and in writing. CONTRACTOR must negotiate such proposed modifications in good faith.

Section 13.06 *Termination of Agreement.*

In addition to other provisions of Article 13 of this Agreement allowing termination, this Agreement will terminate upon full performance of all requirements contained in this Agreement, unless extended in accordance with Article 4 of this Agreement, or terminated sooner under the terms of section 13.07 through section 13.10 of this Agreement.
